Arkansas law limits contributions to \$5,600 per election cycle. Each individual, political party committee, legislative caucus committee or approved political action committee may contribute up to \$2,800 for the primary election and \$2,800 for the general election -- for a total of \$5,600. Corporate contributions are not permissible. Contributions are not tax deductible for Federal income tax purposes. Individuals may take a tax credit on Arkansas tax returns, up to a total of \$50 per individual for political contributions made each year. Contributions from foreign nationals are prohibited by law. State law requires that we collect and report name, address, employer and occupation for each contributor.

Paid for by Sarah for Governor.
